## About the CCCA

The CCCA is a national body that was established in the late 1970s to address a need for unification among several of the largest cat control bodies in Australia. The CCCA Inc. now has affiliates in all states that support the national uniformity of policies for the conduct of shows, training and appointment of judges, registration of cats, definition of classes, and the awarding of championships. This standardisation allows exhibitors and breeders to show cats around Australia.

## Venue

The 2010 CCCA National Cat Show will be held at the Boulevard Pavilion in the Melbourne Showgrounds. The venue is a large well lit clear span exhibition area with easy access. It is approx 20-30min from the airport and approx 15-20min from the centre of Melbourne.
